Nursery – 25th June

School – 1st July

Dear Parents, Carers and Families,

As we come to the end of what has been another busy and productive term, I'd like to take a moment to reflect on some of the fantastic things happening across the school. A huge well done to our Year 6 pupils for approaching their SATs with such maturity and determination — we're very proud of how sensibly and confidently they tackled the week. Year 5 have been enjoying swimming sessions, showing great progress and enthusiasm. Our trial of children wearing PE kits on PE days continues to go well, making transitions smoother and helping pupils feel ready for their lessons. **A reminder that football t-shirts MUST NOT be worn and tracksuits must be plain (not with massive logos on them).**

We've also had wonderful feedback from both parents and children about our new Friday Achievement Assembly, which has quickly become a highlight of the week. Our behaviour system is proving to be a great success too — it's been lovely to see so many children proudly visiting the prize cabinet to trade in their hard-earned effort points. With the final term fast approaching, we're looking forward to a range of exciting events and hope you'll be able to join us in the many celebrations and activities ahead. As always, thank you for your continued support — it truly makes a difference.

Best wishes,

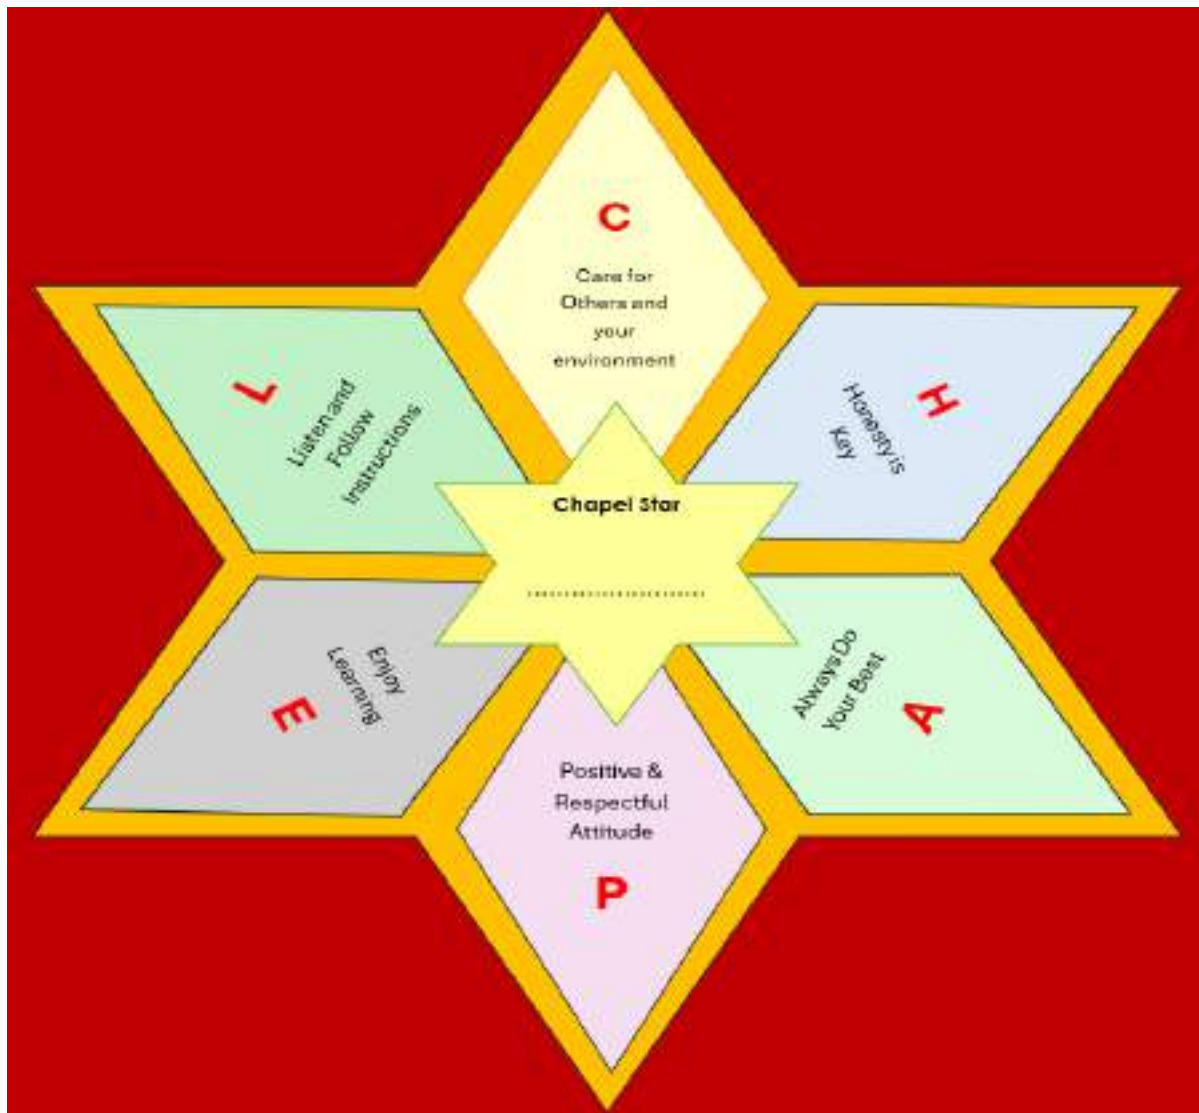

Mrs Borrell

At Chapel St Leonards, safeguarding is our top priority, and we are committed to ensuring the safety and well-being of all our pupils. If parents or children have any concerns or wish to discuss something in confidence, they can speak to a member of our **Safeguarding Team** at any time. We are here to listen, support, and take action where necessary.

If a safeguarding issue arises during the holidays, support is still available. You can contact a member of the **Trust**

Safeguarding Team at safeguarding@citcademies.co.uk and they will be able to assist you. Please remember, safeguarding is everyone's responsibility, and we encourage you to reach out if you have any concerns.

Friday Assemblies

Friday Achievement Assemblies have been a great success, with both pupils and parents sharing positive feedback about the celebrations. It's been lovely to hear how much everyone is enjoying this new approach, and it's clear that it is working well for our whole school community. If you haven't yet returned the permission slip allowing your child to receive celebration treats, please do so as soon as possible. We look forward to continuing these assemblies into Term 6 and celebrating more fantastic achievements together.

Assemblies start at 3pm, please come to the office to sign in, you will then be led through school rather than the school gate.
